

## Do You Know?

For those who have struggled to get in and out of a bathtub, who dread the slippery shower floor and unmanageable glass doors, we can help!

We are the leaders in the marketplace for walk-in tubs and assisted bathing products. We have reconfigured hundreds of bathrooms, allowing our customers to retain their independence well into retirement.

Best Buy Walk-In Bath Tubs is a family-owned and operated company dedicated to providing the safest, most affordable walk-in bathtubs in the industry with a level of customer service and reliability that can't be beat.

Our quality walk-in bathtubs are manufactured in Texas and custom-installed according to your home and your needs. Nothing compares with safety, independence and comfort. When you add the therapeutic value of our hydrotherapy jet system and the freedom to enjoy life's little pleasures again, you get more than a good deal. You get the... **Best Buy.**

Why spend another minute wishing you could enjoy a nice relaxing bath. Let us help you wash those aches and pains down the drain with an affordable **Best Buy Walk-in Tub.**
